Important Notes

- The Annual Internship Fee is not due at the time of application to the Internship Program, but will be invoiced at the dues renewal the year following acceptance into the Internship Program.
- Typhon Fee - Upon accessing the Typhon Program, you will be prompted to pay a one-time admin/set-up fee of \$80.00 USD, which must be paid directly to Typhon (by credit card) prior to use of the program.

Regarding dues for OPC Members (Certified or Registered) whom are participating full or part-time in their 2nd discipline Residency or Internship: These Members will pay Residency/Internship fees (\$700/\$150) plus an additional \$400 to maintain their Certification/Registration during the time of their training in a second discipline so that their entire annual amount (\$1100/\$550) will be no more than the annual dues of a Certifee/Registered Technician. These Members continue to be responsible for fulfillment of the Mandatory Continuing Education requirements for their initial certification/registration status to remain in good standing
