

Orthotics Prosthetics Canada (OPC) Fellowship Nomination Form Dec. 2015

Annual Deadline: submit to OPC National office by March 31st

*This form highlights the details of your nominee's remarkable contribution to the Canadian Prosthetics and Orthotics profession and will be reviewed by the OPC Board of Directors as an important part of the selection process. **Recognize that the OPC Board will place equal value on 3 supporting letters that must accompany this form (one form per nominee).** Letters should validate the extraordinary role your nominee has taken in leading the profession forward in a well-rounded and distinguished manner. The nominee is expected to have demonstrated outstanding depth and breadth in their contributions to the furtherance of our profession. This includes stewardship on professional committees at the Provincial/National level, with government/lobbying agencies, a variety of volunteer educational roles, as author contributing to members' knowledge and professionalism. Evidence should reflect ongoing professional involvement in a variety of capacities over a minimum of 10 years post-Certification or post-Registration.*
